

Company structure - discussion

If you are still studying:

- what kind of organization do you want to work for?
- in which department?
- do you think it will later be possible to change departments?
- what do you think your first position will be?
- do you expect to have one immediate boss, to work for more than one superior, or to be part of a team?

If you are already working:

- what is your function or job title?
- what are you responsible for?
- who are you responsible to? (who do you report to?)
- does anybody report to you?
- what other units, departments or divisions do you regularly have to work with?
- what other departments do you occasionally have conflicts with?
